## SALON & GALLEY

---

The full galley runs down the Starboard side of the salon. It features a nice amount of counter space with a 3 burner stove with oven, fridge & freezer and a deep double stainless steel sink. Down the Port side is the fold down dinette with a L- shaped settee.

## Master Stateroom & Head

---

The Master Stateroom has a walk around queen bed and a beautiful vanity and chair. Windows throughout give the room plenty of fresh air and a natural light that enhances the woodwork. The master also has the washer /dryer units. They are located in a closet at the foot of the bed Starboard side. A private head with a large separate shower is located at the foot of the bed Port side. There is a fantastic amount of wardrobe space and storage to round out the room.

## GUEST STATEROOM & HEAD

---

Just like the rest of the boat, the V-Berth has beautiful woodwork that gives it a warm and cozy feel. You enter the spacious V-Berth cabin from just left of the Main Helm. There is a full size bunk with storage underneath. A small lounge seat, also with storage underneath, rounds out the furnishings in the V-Berth. The V-Berth also has its own head/shower combination with electric flush toilet.

## FLYBRIDGE & SUNDECK

---

The unique layout of the Flybridge and Sundeck allows everyone to be close together

during entertaining as well as protected by the full Isinglass enclosure (including screens). This allows you to enjoy the beauty of mother nature in all weather. The Sundeck has two outdoor love seats and a coffee table along with a sink and storage for those Happy Hour treats. You can access the ladder to climb down to the swim platform from the Sundeck. Go up 3 small stairs and you are on the Flybridge. The bridge has 2 more bench style seats. The Portside bench is L-shaped, the Starboard side is straight, and a swiveling helm chair rounds out the seating area. Each bench has storage inside and comfy cushions on top. You also have storage under the helm
