DETAILED INFORMATION

Manufacturer Provided Description

Larson is definitely moving boating forward with the Cabrio 274 and this innovative deck design. It molds the boarding platform with the hull and deck for a sleeker design that also expands the cockpit. Add that to the state-of-the-art patented Duo-Delta Conic notched hull and watch it soar, enthusiastically. The cabin offers 6 feet 2 inches of generous headroom, and a large round hatch over the dinette offers an abundant amount of light. The galley makes you feel at home with a Granulon counter and sink, full capacity cabinets trimmed in rich cherry laminate, a single-burner stove and refrigerator.

Engine Notes

MerCruiser and Volvo Penta options available.
