## Hull and Deck

---

- Super Jet Black Awlgrip topsides
- Light Cream gelcoat deck with molded-in nonskid
- Single Cream bootstripe
- Green bottom paint

Construction:

- Hull is DualGuard® Composite construction Aramid E-glass skin with balsa and Corecell® core carbon fiber innerskin, SCRIMP® with vinylester resin.
- Deck and cockpit are E-glass with balsa and Corecell® core, SCRIMP® molded with vinylester resin.
- Swim Platform: Hinckley designed heavy-duty fiberglass swim platform has teak insert treads, stainless steel brackets and half-round rubrail. Telescoping, stainless steel, 3-step folding swim ladder stores under swim platform.

Deck Features:

- Custom teak cockpit sole. (Completely sanded and recaulked to factory condition in 2015)
- Molded-in nonskid pattern on side and foredecks
- T-Top: Fiberglass T-top with aluminum frame painted to match deck, with three-sided Stratoglass forward windscreen (updated 2014) - with radar, VHF antenna, GPS antenna, horn, remote controlled spotlight and anchor light mounted on top and custom halogen cockpit light mounted for the aft deck.

- Self-draining locker in bow for anchor, with 12-lb stainless steel Delta anchor and mounting brackets. Anchor bracket rotates to deploy anchor or store in locker out of sight.
- Rounded, tapered, varnished teak toerail with Hinckley profile. Stainless steel half-round on fiberglass molded rubrail.
- Custom Hinckley 316L stainless steel bow chocks.
- (6) Stainless steel pull-up cleats.
- Stern mounted 4ft. varnished teak staff with flush socket. Varnished teak bow burgee with flush socket.
- All teak brightwork lightly-sanded and coated with two coats of varnish each off-season of current ownership.

## Vessel Walkthrough

---

### FORWARD:

- Wrap-around, forward, cushioned seating for five (5). Three storage lockers are located underneath the seating. All fabric upholstery replaced in 2015 with Perennials #700-36 UV & soil-resistant product.
- Varnished teak table with cushion and electric hi/lo pedestal converts forward seating area into a sun lounge.
- Dodger (2014) - Forward opening windows offer shade to the forward lounge area and protection from the elements and can be folded forward when not needed. New low-profile dodger, Stratoglass forward windows and drop-curtains installed in 2014.

### CENTER STEERING CONSOLE

- Console has a molded plexi-glass venturi-style windshield.
- Cushioned seating for two on the forward end of the console.
- Helm fore and aft seating and forward-facing console seating replaced with Luxor Soft Touch Plus #703 piped Ultraleather in 2015.
- Insulated cooler/custom baitwell located under seating in forward end of console. 12-Volt Halogen deck light - mounted on aft end of T-Top with switch at console.

### HEAD Area:

Accessed by a door on the port side of the steering console, a comfortable head includes the following:

- Vacu-flush® toilet,
- Overhead dome light
- Opening port for ventilation and additional light
- Main electrical panel

---

## Helm

---

- Custom carbon-fiber on dash - in lieu of standard teak. Stainless steel cupholder to port of helm wheel.
- 14" Stainless steel steering wheel with varnished wood rim.
- Hinckley JetStick® outboard - which integrates forward and aft motion, steering, and the bow thruster into a single joystick control.
- Engine gauges and Morse single-lever clutch/throttle control. Stereo remote control.
- Marinc 12-volt cigarette-style outlet with weather-proof cover. Rudder angle indicator.

Double helm seat - has a varnished teak-slatted back with an extra thick roll cushion for the helm seat which can be pivoted up to create a standing bolster.

- Teak helm footrest with stainless steel trim.
- Stainless steel handrail behind slatted teak seatback.

---

## Electronics and Navigational Equipment

---

- Raymarine E120 color 12" Chartplotter with radar
- Raymarine DSM300 fish finding module
- Raystar WAAS antenna
- Raymarine ST-70 Autopilot
- Horizon PS1000 VHF Radio with Ram mic.
- Ritchie compass
- Clarion CMD8 stereo with iPhone connectivity, in-dash remote and four MB Quart 2-way marine speakers

---

## Engine Box and Aft Cockpit

---

Engine Box: Just aft of the steering console is the insulated engine box:

- Double helmseat mounted forward.
- Aft-facing seat for two on aft end of engine box with cushions. Sink with pressurized freshwater - accessed through varnished teak top.
- Insulated cooler - accessed through varnished teak top. Electric-lift for engine box with switch on console.

Aft Cockpit Area:

- Aft settee - with seating for three (Perennials #700-36 fabric) has two storage lockers under.

- Fresh water shower - aft in starboard corner of the cockpit.
- Direct drainage scuppers with stainless steel scupper grates.

---

## Electrical

---

Low resistance, heavy copper wired and zinc anode electrical ground bonding system.

12-volt DC Electrical System includes:

- Batteries total 420-amp/hrs.
- Starting: (1) 12-volt AGM Group 31 - 750 MCCA battery. House: (1) 12-volt 4-D 210-amp/hr house battery.
- Heavy-duty battery switches for engine and house. 80-amp engine alternator.
- 20-amp multi-stage battery charger.
- 12-volt distribution panel with breakers, volt and amp meter.
- 12-volt cigarette-style outlet at helm.

---

## Engine and Mechanical

---

- 2006 Yanmar 6LY2A-STP 440-HP FWC diesel engine.
- Hamilton 292 Jet Drive.
- TwinDisc ZFIRM 220 transmission.
- 12-volt DC 5" reversible bow thruster.
- Hinckley JetStick® steering control system is integrated with bow thruster.
- Racor fuel/water separator filter.
- Tachometer with engine hours, oil pressure, water temperature and fuel gauges.
- Bell alarm for low oil pressure, and high water temperature gauges.
- Oil transfer pump for engine and transmission.
- Manual hydraulic steering pump.
- (2) Electric 1500-gph, 12-volt bilge pumps with float switches. Whale emergency bilge pump mounted in cockpit locker.
- Pressure fresh water water system.
- Marelon® ball-valve seacocks.
- Engine sound insulation: Lead-lined foam insulated engine box with double gaskets on cover. Baffled and insulated engine air intake.
- Halon fire suppression system in engine compartment
- (2) 50-gallon heavy gauge polyethylene fuel tanks
- (1) 20-gallon water tank
- (10) 10-gallon holding tank

---
