SPECIFICATIONS

Overview

This 2005 51' Riviera 51 Flybridge "Maynstream" is a low-hour, professionally maintained Riviera 51 that stands at the top of her competition in condition, equipment, and PRICE! She was designed to be adventurous with extended fuel, upgraded Garmin electronics, upgraded Caterpillar C-18 1015 HP engines, and blue water pedigree she can take you to far off destinations to find the fish or just cruise in luxury and comfort. This Riviera 51 is turn key and ready to cruise. She is maintained by Riviera factory trained professionals and it shows! She boasts a versatile layout with three cabins and two heads capable of accommodating multiple families. With four drawer style refrigerators, an additional refrigerator and a large storage/utility area beneath the galley sole she can be provisioned for extended cruising with ease. Complimented by ample storage in the saloon and staterooms the Riviera 51 can keep a large family in cruising comfort for extended periods. Add to this a large, air conditioned flybridge that rivals any 50 plus foot convertible Maynstream rises to the top of the competition in versatility and value!

DETAILED INFORMATION

Manufacturer Provided Description

One of the latest flybridge models to be developed, this is also one of the most refined and elegant in the series. The open flybridge not only reflects contemporary styling but is perfect for all-weather cruising. The sheer on board space, from the deck to the saloon to the master stateroom, also makes the 51 ideal for long range cruising... and with three cabins and two bathrooms, six adults can set sail in unparalleled comfort. Thrilling performance, unashamed luxury and the confidence that comes with the renowned build of a Riviera: a boat to take your breath away.

Accommodations

Entering the salon, one finds an open, inviting area with lots of seating for lounging or entertaining guests. Moving forward the galley is situated to port and includes a large storage/utility area beneath the galley sole. Storage is generous as is refrigeration with four (4) drawer style Tundra and one (1) Uline traditional style fridge. Continuing forward the master is situated midships and to starboard of the companionway. Included is a large ensuite head with stall shower. Storage is again ample with numerous lockers, drawers and a large storage space beneath berth which is accessed via gas assisted struts. Opposite the master is the third stateroom with over/under single berths. Continuing forward is the VIP stateroom with private access to the second head with includes shower. This head can also be accessed via the companionway. As with the master, storage is generous including storage beneath berth accessed via gas assisted strut lift.

Electronics

Upgraded Dual Garmin 8212 GPS plotters Furuno Color Sounder Simrad Autopilot Remote Windlass and Chain Counter Bowthruster Garmin 72 Mile Open Array Radar Revere 6 Person Life Raft (May Need Recertification) Icom VHF Clarion Stereo
