SPECIFICATIONS

Overview

"Livin the Dream" is a highly updated and spacious 41 Sea Ray Aft Cabin Motoryacht. The previous owner did a major overhaul to the boat in 2001 which included **new Cummins 370hp Diamond Series Diesel Motors and a new Northern Lights / Luggar 8kw Diesel Generator!** With low hours on both engines and generator this SeaRay has a much more reliable and powerful power plant than any other 41 on the market. She has been used primarily for light cruising on the Chesapeake Bay and has served her current owners well as a comfortable live aboard for the past couple of years. A change in plans and moving out of state present a desire to sell and she has been priced correctly to do so! A great value that would be a low cost way to get into a spacious diesel cruising vessel without the teak and black iron tank issues and expenses found in many cruising boats (Grand Banks, Alban, Marine Trader, etc.) in this price range. She would also be equally comfortable as a safe and roomy family fun boat or as a live aboard. ***Currently In Water but Winterized and Shrink Wrapped. Pictures will be updated once commissioned for Spring.*** Conveniently located just minutes off of I-95 in Baltimore's Inner Harbor and only 20-25 minutes away from Baltimore Washington International (BWI) airport, call today for an appointment to see this SeaRay. With this power, upgrades and more at this price, she will not be on the market long!

Basic Information

Category: Motor Yacht

Sub Category: Aft Cabin

Model Year: 1987

Year Built: 1987

Country: United States

Dimensions

LOA: 41' 0" (12.50m)
