DETAILED INFORMATION

Vessel Description

The 400SY, designed in conjunction with Volvo revolutionary Inboard Propulsion System (IPS), leaves nothing to the imagination. This performance machine is adorned with luxurious seating and entertaining arrangements both above and below deck, two roomy staterooms, and two heads, all combined into one sexy, eye-brow raising design.

It is as gorgeous down below as it is above deck. With cherry wood trim package, synthetic wood flooring, lay-down carpet, wood mini-blinds, and ample lighting, this boat will take your breath away.

Two staterooms, complete with convenient access to a head on each end of the boat, along with a sofa with sleeper conversion in the salon will be sure to make your crews stay on board feel like a five-star resort.

With standard features such as a wine chiller, 5.1 surround sound home theater system and a 26-inch flat screen LCD TV, you may very well be calling this your new home, with an address of anywhere.
