SPECIFICATIONS

Overview

Boston Whaler's largest center console when she was introduced in 2003, the 320 Outrage is built to compete with the big boys in the offshore center-console market. The 320 is a top-quality boat with a superb deck layout, top-shelf amenities, and excellent range. Built on an aggressive deep-V hull with a keel pad for increased lift. Fishing activities center around the custom bait prep center behind the helm seats with its 45-gallon livewell, sink, cutting board, and raw-water washdown. There are three in-deck fish boxes (two aft, one forward), and both the helm and companion seat bolsters flip up so you can sit or stand, tucked in by padded armrests. Note the 320's through-stem anchor system, and pump room below the aft cockpit sole. Additional features include a foldaway rear seat, console head compartment (with sink, pull-out shower, and vertical rod storage), foldaway console rod rack, and transom shower. Twin 300hp Mercury outboards deliver in excess of 40 knots wide open.

Basic Information

Category: Sport Fisherman

Sub Category: Center Console

Model Year: 2008

Year Built: 2008

Country: United States
