SPECIFICATIONS

Overview

This is an exceptionally clean example of the well known 28 foot 1989 Catalina Mk II. SEA SCONSET was re-powered 3 years ago with a brand new Beta Marine 16 diesel engine and she has only seen 40 hours of run time. With a masthead sloop and fin keel configuration, she performs well undersail. The Catalina 28 Mk II's interior is light-filled and well appointed and her cockpit very spacious... perfect for a couple or small family.
