SPECIFICATIONS

Overview

The bold styling of the 44' Sundancer is unmistakable Sea Ray with her stylish European grace and bold American power. This 44' Sundancer comes exceptionally equipped with the upgraded Hardtop, Cummins QSC 500's, Sea Ray Navigator II package, Raymarine E-120 with radar and autopilot, and much more. The 44' Sundancer rides on a deep-V hull with prop pockets to reduce shaft angle and draft. Her cockpit is expansive with room to entertain a crowd. Access to machinery is provided at the touch of a button as the entire aft sole raises to provide a generous view of the engine room.

Below decks, the Sundancers lavish mid-cabin interior is an impressive display of lacquered cherry woodwork, leather settees, and deep pile carpeting. Privacy doors (not curtains) separate the cabins from the salon and the large galley area features generous storage and plenty of counter space. Topside, wide sidedecks provide secure access to the foredeck and sunpad. This very clean and rare Freshwater Sea Ray 44' Sundancer is well-equipped and has always been maintained carefully. We accept trade-ins and provide financing.
