SPECIFICATIONS

Overview

New listing new to the market in the Pacific Northwest. Very clean and well equipped for long distance cruising!

"Kindred Spirit" is a 2006 Albin 40 NSC fast trawler with a top speed of 24 kts. Comfortable and efficient cruising at 10-12 kts. She is fully equipped and ready to go North. Her 9kw generator, advanced DC power system, and 24 gal per hour watermaker make it easy to hang on the hook for days. With her very low engine hours and the majority of all other systems upgraded with new equipment in 2017-2018, she has many years of enjoyment available. A wonderful fast trawler with a very practical layout. Some of her notable features:

- Bow and stern thrusters
- Reverse cycle heat and air conditioning
- Water maker
- Cherry wood interior
- Enclosed upper helm area
