DETAILED INFORMATION

Walkthrough

Boarding STELLA is onto the hydraulic swim platform onto the fixed platform and up two steps either port or starboard and onto the Aft Deck.

The Aft Deck has both fixed and built in seating, a ladder to the Flybridge and the Salon entrance door.

The Salon has a U shaped settee to port facing a TV and cabinets to starboard.

Up three steps is a round dining table to port, interior stairs to the Flybridge and the fully enclosed Galley to starboard.

Next forward is a complete Lower Helm and centerline curved steps to the lower deck.

The Master with an island berth and full head is forward.

Aft are two twin cabins each with their own head. The Flybridge has interior and exterior access and is covered with a fixed top and a full four side enclosure. There is an L shaped seating area to starboard aft with a dining table.

Salon

Entered via a stainless steel trimmed sliding door is the cherry paneled Salon.

Immediately to port is an upholstered loveseat with built in cherry end table. The end table has hidden refrigerated storage under a hinged cherry top. Going forward is an L shaped settee with storage below. Together they form a U shaped seating group for up to five people. Lying in front is a burlwood topped coffee table. Above the settee is a large side window covered with wood mini blinds.

Two reading lights (excluded) are in the corners of the settee with a built in end table forward.

A fiddled bookcase is forward of the settee with a cherry countertop above.

To starboard upon entering is an L shaped cabinet with seven cherry cabinet doors below. Within these cabinets are storage, the entertainment electronics consists of a Sat TV receiver, Crestron media controller (unused), LG CD/DVD player, Crestron FM tuner and a Crestron audio expander.

Above is an Insignia 39" LED TV with large cabin side windows covered with wood mini blinds.

In the forward end of the cabinets is bar and glassware storage.

Next forward up three carpeted steps is an open tread seven step interior stair to the Flybridge.

Also in the Salon are eight overhead LED lights, a Bose mini cube speaker system, digital AC controls and a carpeted sole, replaced 2019.

Dining Area

Opposite the interior stairs to the Flybridge is a semi circular dinette area to seat four on fixed seating and two on upholstered stools. The table is a round burlwood table with four LED lights above. There is additional storage below the built in seating.

Next forward is a Pantograph portside deck door.

Forward is a work station to include a bench, foldup storage and an Apple computer (not included).

Lower Helm

To starboard is the Lower Helm with excellent visibility in a standup or seated position.

Equipment in this area includes:

Raymarine E-90 plotter, depth, radar, CCTV monitor Simrad AP-20 autopilot head
Glendinning electronic single lever engine controls Standard Horizon Onni VHF Vetus
bow thruster control RCL-100 Point Pad for ACR searchlight VDO rudder angle
indicator (2) Aetna digital tachometers Full VDO engine gauges Audio visual alarm
system for engines Gooseneck chart light Stainless steel helm wheel Upholstered helm
seat w/access panel below Danforth 5" Constellation compass Membrane type switches
for wipers, nav lights, windlass, horn, battery parallel, trim tabs and engine start/stop
(2) Sine analog fuel tank gauges (1) Sine analog water tank gauge Burlwood chart flat
Ship's graphic panel for nav lights Urmet 7 station intercom system

Galley

Entered from the Salon located to starboard is the yacht's Galley.

Features include: Taj Mahal polished natural quartzite countertops Stainless under
mount sink Stainless faucet w/removeable sprayer Kenyon 2 burner ceramic cook top
Stainless GE Monogram Space Maker II microwave Breville toaster oven (2) Summit 24"
stainless fridge drawers Pantograph door open to walk around decks Mosaic tile

backsplash (2) White lacquered drawers (9) White lacquered cabinet doors Wood look tile sole (4) LED overhead mini spots Cruisair digital AC control (2) GFCI outlets Wood blinds over small window

Accommodation Companionway

From the Lower Station area centerline are six curved carpeted steps to a landing, the entrance to the forward Master and a second set of three carpeted steps to twin Guest Cabins each with a head.

Also in this area are full height mirrored panels and two cherry storage cabinets. Above are three LED light fixtures.

Master Cabin

The Master Cabin is forward with a centerline island berth with two drawers facing aft below. A newly upholstered headboard sits upon a large mirrored panel with a black lacquer frame.

Either side of the berth are twin two drawer nightstands with fiddled bookshelves outboard to port and starboard.

Continuing aft are built in burlwood countertops with four cabinet doors each side. The starboard side terminates into three drawers, the port has a vanity area with an upholstered stool and a lift up vanity top.

Above each side are two opening stainless steel portholes covered with Roman shades as needed.

At the starboard side aft is a very large walk in closet with two level of hanging rods, three cherry drawers and four cherry cabinets. The size of this walk in locker is very unusual for a yacht of this size.

Just inboard is a burlwood cabinet with a 24" Insignia LED TV above and storage below.

Centerline is the cabin's entry door. To port is the Master Head.

Also in this cabin are 13 overhead LED lights, a carpeted sole, digital AC controls and bilge access hatches under the carpet.

Master Head

The Master Head of STELLA is very dramatic with its red lacquer cabinets and black and

gold wall coverings.

The head has a curved front vanity with four cabinet doors below, a china sink and single lever faucet above and three sides surrounded with mirrors with the inboard one being a medicine cabinet.

The toilet is a Vacuum Head model with a fold down cover and matching bidet.

The stall shower has a bifold acrylic door, handheld or wall mountable fixture and waterproof wall coverings best described as a high end Formica type finish.

Also in the head are five overhead LED lights, an opening stainless steel porthole, blinds for privacy and a red vinyl floor covering.

Port Guest Cabin

Entered via the forward end is the Port Guest Cabin with two twin bunks aft of the aft bulkhead.

Each berth has two drawers below and a newly upholstered headboard and surround against the bulkheads.

Between the berths is a burlwood topped two drawer nightstand with a mirror above. Also in this area is a Fusion MS IP 600 AM/FM/CD stereo and reading lights over the berths.

At the foot of the berth outboard is a hanging locker with auto light and a 26" LG TV outside facing the berth.

Forward centerline is the access door to the en suite head.

Also in this cabin are two opening stainless steel portholes with Roman shades, two stereo speakers, two cherry cabinets inboard, digital AC controls and a carpeted sole.

Port Guest Head

The Port Guest Head has a white lacquered vanity with two cabinet doors below and a china sink with a single lever fixture above.

Two mirrored medicine cabinet doors are above the sink. Two additional lacquered cabinets offers storage.

The shower has a two piece hinged curved Lucite door, a handheld or wall mountable fixture and a light.

The Vacuum type toilet has a matching bidet which is very unusual in a guest cabin.

Also in the head is an opening stainless steel porthole with blinds, a red vinyl floor and red Formica bulkheads with a satin/gloss stripe that is both easy to clean and looks great!

Starboard Guest Cabin

Entered via the forward end is the Starboard Guest Cabin with two twin bunks aft of the aft bulkhead.

Each berth has two drawers below and a newly upholstered headboard and surround against the bulkheads.

Between the berths is a burlwood topped two drawer nightstand with a mirror above. Also in this area is a Fusion MS IP 600 AM/FM/CD stereo and reading lights over the berths.

At the foot of the berth outboard is a hanging locker with auto light and a 15" Sharp TV outside facing the berth 15" Sharp TV.

Forward centerline is the access door to the en suite head.

Also in this cabin are two opening stainless steel portholes with Roman shades, two stereo speakers, two cherry cabinets inboard, digital AC controls and a carpeted sole.

Starboard Guest Head

The Starboard Guest Head has a white lacquered vanity with two cabinet doors below and a china sink with a single lever fixture above.

Two mirrored medicine cabinet doors are above the sink. Two additional lacquered cabinets offers storage.

The shower has a two piece hinged curved Lucite door, a handheld or wall mountable fixture and a light.

The Vacuflush toilet has a matching bidet which is very unusual in a guest cabin.

Also in the head is an opening stainless steel porthole with blinds, a red vinyl floor and white Mica bulkheads with a satin/glass stripe that is both easy to clean and looks great!

Foredeck

Remarks

STELLA is a "rare offering". Her owners chose her after looking at more common examples of a 55 - 60 motoryacht. They chose her due to her high end finishes, Italian design and livability with a large forward Master Cabin.

Built under survey to class Maltese Cross A1 Yaching Service, AMS, STELLA will compare favorable to any Euro cruiser of this vintage and newer. She sparkles in and out.

Guaranteed, you won't find a similar size or age vessel with the extensive record keeping from her build to present.

STELLA is strongly recommended. Notes: Bridge clearance 20' 6". **US DUTY PAID STATUS**

Exclusions

While every effort was made to list all pertinent included equipment aboard STELLA, there are some personal belongings aboard. Prospective purchasers should assume any item not specifically mentioned herein will not convey at closing.

Disclaimer

Specifications are provided for informational purposes only. Data was obtained from sources believed reliable but is not guaranteed by owner or brokers. Buyer assumes responsibility to verify all speeds, capacities, consumption's and other measurements contained herein and otherwise provided and agrees to instruct his agents to confirm such details prior to purchase. Vessel is subject to prior sale, price and inventory changes and withdrawal from market without notice.

Exclusions

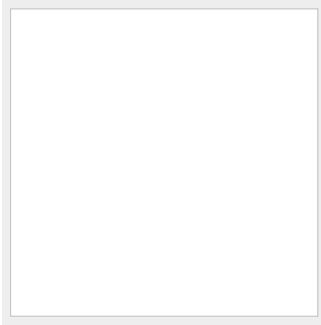

Owner's personal belongings.
