SPECIFICATIONS

Overview

Since her launch from Nereids Yachts in 2005, she has been meticulously maintained and upgraded, including a refit in 2013, to ensure she is in pristine condition for every charter vacation. Her high-volume Michael Leach designed interior successfully combines elegant style with a well-balanced layout that offers a range of guest living areas to accommodate all manner of occasions. Large windows throughout allow for spectacular views and an abundance of natural light that highlights the range of beautiful woods, fine furnishings and sumptuous fabrics on board.

AZTECA sleeps up to 12 guests in six en suite staterooms including a full-beam main deck master suite, a full-beam VIP stateroom and a further two doubles and two twins, ideal for large families. Her outdoor areas are perfectly equipped for relaxation and entertainment while at sea, in particular the large sundeck that plays host to ample sunpads, a Jacuzzi, covered seating area and sun loungers.

Elsewhere on deck, guests can enjoy a number of al fresco dining options in addition to a bathing platform that provides easy access to her armada of toys and tenders to include a 10.3m Bimax tender, Seadoo's, Waverunners and a jet ski.
