ХАРАКТЕРИСТИКИ

Обзор

Oh Kay is a very nice Hampton 490 Motoryacht. With her full beam master stateroom with ensuite head and a forward island queen guest stateroom, her accommodations are very comfortable. Both heads have their own separate shower stalls and an combo washer and dryer in the master head makes it easy to live aboard for extended periods. Her helms are well designed and equipped and provide a great view for navigating. The pilothouse helm is accompanied by a dinette and settee and has easy access to the flybridge, the staterooms, the galley and main cabin and out onto deck through sliding doors to port & starboard. The flybridge helm has a large seating area for entertaining and access to the aft top deck and the davit and tender storage. The U-shaped galley has a large amount of storage and counter space and is open to the main cabin. The spacious main cabin is nearly full beam and has a large sliding glass door for access to the cockpit and swim platform. She is well powered with low hour, twin Cummins 450 hp diesel engines and a large generator to power her electrical needs. This motor yacht is a Great Loop veteran and ready to cruise again immediately. Recent upgrades include:

- New Magnum Inverter
- New House and Start Batteries (2018)
- Fresh Bottom Paint (2018)
- New U-Line Icemaker (2018)
- New Engine and Running Gear Anodes (2018)

ПОДРОБНОЕ ОПИСАНИЕ

Main Description

Oh Kay is a very nice Hampton 490 Motoryacht. With her full beam master stateroom with ensuite head and a forward island queen guest stateroom, her accommodations are very comfortable. Both heads have their own separate shower stalls and an combo washer and dryer in the master head makes it easy to live aboard for extended periods. Her helms are well designed and equipped and provide a great view for navigating. The pilothouse helm is accompanied by a dinette and settee and has easy access to the flybridge, the staterooms, the galley and main cabin and out onto deck through sliding doors to port & starboard. The flybridge helm has a large seating area for entertaining and access to the aft top deck and the davit and tender storage. The U-shaped galley has a large amount of storage and counter space and is open to the main cabin. The spacious main cabin is nearly full beam and has a large sliding glass door for access to the cockpit and swim platform. She is well powered with low hour, twin Cummins 450 hp diesel engines and a large generator to power her electrical needs. This motor yacht is a Great Loop veteran and ready to cruise again immediately. Recent upgrades include:

- New Magnum Inverter
- New House and Start Batteries (2018)
- Fresh Bottom Paint (2018)
- New U-Line Icemaker (2018)
- New Engine and Running Gear Anodes (2018)

WALK THROUGH

Boarding Oh Kay can be accomplished via the swim platform, transom door, cockpit and into the main cabin or through the port and starboard side doors amidships into the raised pilothouse. Once in the main cabin, two built-in chairs separated by a small table are on the port side and a large built-in L-shaped settee with hi-lo fold-out table are adjacent to starboard. Stairs up the starboard side of the main cabin lead to the centered pilothouse helm and dinette with stairs behind the lower helm up to the flybridge. The flybridge helm is to port with a two place bench seat at the helm. The large L-shaped seating extends down the star starboard with a wet bar with sink, ice maker and grill aft of the helm bench seat. Access to the tender and davit can be obtained at the aft end of the flybridge seating area. Back at the pilothouse helm, a staircase along the starboard side leads to the staterooms. Once at the bottom of the stairs, the master is aft under the pilothouse with its ensuite head to port. The guest stateroom is forward in the bow and the guest head is to port.

Accommodations

The accommodations on this motor yacht provide comfortable sleeping quarters for up to 6 people. The forward guest stateroom has an island queen with under berth storage and a large mirrored hanging locker to port. A private door to the guest head is to port. An overhead hatch provides natural lighting. The spacious master stateroom and ensuite head spans the beam below the pilothouse. The ensuite head and separate shower stall is immediately to starboard after entering the space. Plenty of storage cabinets and hanging lockers line the cabin. Two portlights above the berth provide natural light to the space. The centered queen is to port with nightstands, cabinets and lights on either side. The combo washer and dryer is located in the master head. The sofa in the main cabin can sleep one and the settee in the pilothouse can also be converted to a single berth.

Main cabin

The near full beam main cabin is spacious and bright due to the large windows on both port and starboard and a large sliding glass door to the cockpit. The window blinds provide shade and privacy. The main cabin features two built-in chairs separated by a small table are on the port side and a large built-in L-shaped settee with hi-lo fold-out table are adjacent to starboard. Stairs to the pilothouse are forward to starboard in the main cabin. To view an interactive 360 degree photo of the main cabin, copy and paste the link below into your browsers search box. The galley is located forward to port in the main cabin and features:

- Single basin molded sink
- Tundra T80 AC/DC refrigerator with separate freezer
- Princess 3-burner propane cooktop with oven
- Magic Chef Carousel microwave oven
- Boran Trash Compactor
- Corian counter tops
- Quality maple hardwood flooring
- Storage drawers and cabinets

To view an interactive 360 degree photo of the galley, copy and paste the link below into your browsers search box.

RAISED PILOTHOUSE

The large raised pilothouse on this motor yacht offers a great place to navigate and entertain. The L-shaped settee with folding hardwood table will comfortably seat 4 for dining or entertaining. The hardwood flooring and large surrounding windows make the space bright and airy and provides great vision around the yacht. A tall sliding door to

both port and starboard allows quick access to the foredeck for line handling and anchoring. The helm in the pilothouse features:

- Garmin Chartplotter GPM Map 6212
- Furuno Radar Display
- Furuno GPS Navigator (depth/GPS/speed)
- Simrad Robertson Autopilot
- Interphase Twin Scope Forward Looking Sonar
- NAIAD Stabilizer Controls
- Standard Horizon VHF Radio GX2150
- ICOM IC-M700 Pro SSB Radio Telephone
- Flowscan Fuel Flow meters
- Azimuth Compass
- Vetus Bow Thruster controls
- Glendinning Synchronizer
- Searchlight controls
- Trim tabs and windlass controls
- Tank Tender tank monitoring system

To view an interactive 360 degree photo of the pilothouse, copy and paste the link below into your browsers search box.

MASTER STATEROOM

The spacious master stateroom and ensuite head spans the beam below the pilothouse. The centered queen berth is to port with nightstands, storage and lights on either side. Two portlights above the centered queen berth provide natural light to the space. A makeup table with more cabinets is forward in the space and the stateroom is carpeted with hardwood paneling throughout. The ensuite head is located on the starboard side of the space and features Corian counter top with molded sink, Vacuflush toilet, separate shower stall and a good amount of storage cabinets. The Hampton 490s laundry features a combination washer and dryer built into the aft wall of the master head above the toilet. To view an interactive 360 degree photo of the master stateroom and head, copy and paste the links below into your browsers search box.

Guest Stateroom

The island queen berth of the guest stateroom is the centerpiece of this space. Two large overhead hatches provide natural light to the space, large under berth storage, cabinets surrounding the berth and a hanging locker provide ample storage for guests. A private door to the guest head is to port. The guest head features Corian counter tops and a molded sink with mirrored medicine cabinet, Vacuflush toilet and separate

shower stall. A single portlight allows natural light and ventilation to the space. To view an interactive 360 degree photo of the guest stateroom and head, copy and paste the link below into your browsers search box.

FLYBRIDGE

The stairs from the pilothouse lead to the flybridge but can be closed off with a large Plexiglas door. Once on the flybridge you will be overwhelmed with the very spacious seating area and the great 360 degree views around the yacht. The helm is forward to port with a large bench seat. A wet bar with molded sink, grill and ice maker are aft of the helm bench seat. An large L-Shaped seating area with triangular table is to starboard and will comfortably seat 8-10 people. The entire flybridge is covered with a large bimini top. The flybridge helm features:

- Furuno GPS Navigator (depth/GPS/speed)
- Simrad Robertson Autopilot
- Interphase Twin Scope Forward Looking Sonar
- NAIAD Stabilizer Controls
- Standard Horizon VHF Radio GX2150
- Flowscan Fuel Flow meters
- Compass
- Vetus Bow Thruster controls
- Glendinning Synchronizer
- Searchlight controls
- Trim tabs and windlass controls

On the aft deck of the flybridge is:

- 800 lbs capacity davit with wired remote
- Avon RIB with 30 hp outboard

To view an interactive 360 degree photo of the flybridge, copy and paste the link below into your browsers search box.

COCKPIT AND SWIM PLATFORM

The large cockpit and swim platform on this motor yacht provide another nice outdoor space for relaxing or entertaining. The lazarette provides access to the engine room and below deck storage. The cockpit also features a rear back down helm control station. To view an interactive 360 degree photo of the cockpit, copy and paste the link below into your browsers search box.
