Overview

"DEUCE" is a well know 1984 Morgan 24 Gulfstream tower boat, past two-time winner of Boca Grande's "World Richest Tarpon Tournament". She is very recognizable with her mint green hull, details and lots of nice Teak work. Although mechanically sound she will need the next owner to put some elbow grease in to bring her back to full glory. She is being sold at a great price for a light project boat that is turn key and ready to fish today. Powered by a 2012 Mercruiser 383 Stroker MPI 350 HP engine with 400 hours, full tower with second station, forward cuddy cabin with porta potty and more.. She runs perfect, quiet and strong and gets great fuel economy. More photos and information will be coming shortly. Don't miss the opportunity to own a legendary Morgan 24 and call for an appointment to see her soon. Owner is looking for offers and is ready to sell.
