## Broker's Comments

---

This boat is offered for sale by repeat Carver Yachts owner who is very keen on maintenance and upkeep and offers this boat to the next owner in excellent condition.

Properly equipped with all the right options and sporting a gorgeous custom Anthracite Grey hull and trim, she is sharp and standing tall.

The layout of the C52 Coupe is ideal for long stays aboard, maximizing the square footage for a 52ft yacht past what other manufacturers thought possible. This enables an owner operator yachtsman to go farther and for longer than previously thought possible while keeping family and friends aboard happy!

We have a client that chose to purchase a C52 Coupe Carver over all the other models out there specifically for a trip on the Great Loop, which takes about 8 months to complete...this vessel was selected due to her spacious layout, ease of use, performance and abundant storage.

So whether you have grand plans to complete the Great Loop or just want an ideal platform to get some R&R on the weekends, this 2018 Carver C52 Coupe is the perfect yacht for you!
