**Low Hour Cummins Common Rail Diesels and Generator in a quality Hatteras all for under \$100k!** Repowered with Cummins 380hp QSB5.9 Common Rail Diesels and Onan 6.5kw Generator, "Kapelo" is a high quality mid 30' convertible/sedan that clearly stands out among her peers. Used for cruising on the Chesapeake Bay she has had a pampered life and benefits from many upgrades on top of all that Hatteras already brings to the table in their yachts. "Kapelo" has a roomy bridge with a stainless steel framed hardtop, Cummins Smartcraft display, updated air conditioning and heating systems, updated galley, countertops, head and more! Her teak interior is in very good condition and her master forward arrangement with a convertible dinette opposite of the galley is very functional for extended cruising or entertaining friends and family. "Kapelo" is located in Baltimore's Inner Harbor and is just minutes from I-95 and only 25-30 minutes away from Baltimore Washington International (BWI) Airport. Call Listing Broker to set up a time to see her in person!
