## Description

---

Welcome to the Targa GT 50, where attention to detail and ingenuity are used to create unforgettable experiences. To offer accommodation of such proportions within a 50 foot hull was a testing challenge for our design team. You can enjoy this Targa GT 50 in so many ways; for its size it is destined to be one of the most enjoyable yachts on the water. Walk through the Fairline Targa 50 GT and you'd be forgiven for wondering where all the space has come from. Of course, this is a true GT and the smooth-sliding roof, sweeping panoramic windows and rear glazing that simply glides up and out of the way, opens the whole boat to the world around you. The Targa GT 50 is a superb example of the fabulous Fairline cruisers Yachts. The boat features twin Volvo D-11 engines with 1340 hp combined. *\*Recently upgrades (October 2018):* \*Bottom Paint \*Reconditioned props \*Engine impellers \*Waxed hull
