SPECIFICATIONS

Overview

Hinckley's Talaria boat line is named for the golden wings that gave flight to the Roman God Mercury. Just as unique is this 44 Talaria Flybridge with her Fighting Lady Hull, which is as swift as any bird, due to her 440 Yanmar Diesels coupled to Hamilton Jet Drives.

Thanks to a remarkable hull design and quality construction, Hinckley have achieved an unparalleled solid ride that feels planted, yet with exceptional speed and a Shallow draft. Just 2'4" !

"Sea Pause' is superbly finished. Power leather seats, curved glass, cherry wood with high gloss teak. Luxury abounds

This timeless classic's graceful beauty, with the benefit of a Flybridge, providing an additional helm and entertaining space, jet drive propulsion, and owners constant care, put this Hinckley in a class all of her own.

A unique opportunity for the discerning buyer.

Basic Information

Category: Motor Yacht

Sub Category: Jet Boat
