## Overview

---

HORIZONS II was built by the Australian yard NQEA, known for their well-built naval and expedition vessels, to provide the ultimate sport yacht. This luxurious yacht features a shallow draft and high cruising speed making her perfectly suited for US East Coast and Bahamas cruising. The current owner has spared no expense in maintaining her to a high standard. Her interior consists of a modern blend of woods and soft textures. The main salon features a large seating area situated in such a way as to deliver uninterrupted views out of her expansive windows. Forward is a spacious master suite along with a dedicated master office, providing a comfortable work space while on board. The forward master bathroom has a skylight to deliver ample natural light. Down the central stairway you will find three well-appointed guest cabins, including a VIP cabin. These all feature en-suite bathrooms with beautiful exotic stone finishes. The sky lounge is a perfect space for entertaining or relaxing while underway. This area includes a wet bar and multiple seating areas that all have stunning 270 degree views. The exterior areas of HORIZONS II allow for ample space to both relax and play. The covered aft and bridge decks offer multiple dining options and lounging areas. The large sundeck is a standout feature of the yacht with a jacuzzi and forward facing seating arrangement. HORIZONS II provides a unique opportunity to own a yacht built to high commercial standards with all of the luxury and comfort expected of a world class superyacht.

- 15-year survey completed in 2018
