SPECIFICATIONS

Overview

"Wire We Here" is a beautifully updated Garlington 44. She received a major refit in 2011 by Lost River Marine including new motors and running gear, tower, paint, teak decks and covering boards, electrical, generator, Release Teak helm pod and Chair.

In 2013 Lost River performed a refit of the Interior including new countertops, fixtures, wall coverings, upholstery, appliances and TV. All cabinetry and floors were sanded and refinished. A bow thruster was also added at this time. A new water maker with separate control panel was added in 2017.

New Varnish on toe rail and 1/2 round just completed (2/2019).
