SPECIFICATIONS

Overview

The Catalina 27 is an American classic. First launched in 1971, more than 6,600 boats were built during a 20-year production run, making it possibly the best-selling 27-footer of all time. The owner of Hideaway has meticulously maintained and upgraded this vessel. It may be a 1987 year model, but it looks like a much newer vessel. Some of the upgrades include the following: - A new mainsail - A new 130 headsail - Updated standing rigging - Decks refinished and vessel painted from the rub rail up - Bottom barrier coated and painted (kept on a lift since being painted) - Additional bimini over helm station - All engine and scupper hoses replaced - New batteries (one replaced 11/17 and one 3/18) Maintenance includes frequent oil, filter changes and fuel polishing.

Basic Information

Category: Cruising Sailboat

Model Year: 1987

Year Built: 1987

Country: United States

Dimensions

LOA: 27' 0" (8.23m)
