SPECIFICATIONS

Overview

A stunning showcase of modern style and clean lines, CHASSEUR offers an elegant palette of neutral tones expertly complemented by splashes of vibrant color. With walls of milk-glazed sycamore, teak interior flooring with holly inlays, and hand-carved rosewood and shagreen panels bisecting the dining room and main salon, every detail of her award-winning interior has been crafted to exacting luxurious specifications. Beyond painstaking attention to color and texture, an artful sensitivity to light and space amplifies her well-balanced design. Adjustable, discreet features throughout the yacht allow for ultimate customization of illumination and ambience, especially in the main salon, where you'll find the striking panoramas offered by the wide picture windows enhanced by subtle backlighting. A wide selection of seating and lounging options throughout the yacht have been selected to balance both style and comfort. Backlit crystal agate and mirrored glass craft the innately gregarious nature of her sky lounge and sun deck, ideal for discerning entertaining. CHASSEUR also offers al fresco dining options on two expansive decks, in addition to indoor formal dining at the custom-designed Armani table on the main deck. Outside the dining room, the gently curved central staircase is a statement piece all on its own, a soaring sculpture augmented by floating glass stairs and woven leather walls. Balancing function with class, a four-person elevator is also available on CHASSEUR, serving all decks. CHASSEUR features beautifully outfitted staterooms for up to twelve guests across six cabins. The full beam master suite has its own private office and daybed, and the spacious VIP suite offers furnishings by Hermès and Jean-Michel Frank. All other guest suites are appointed with the same diligent attention to detail, from the exotic onyx features sourced from around the world, to the under-floor heating. Beloved on the charter market and carefully maintained since new, CHASSEUR is truly an unparalleled opportunity.
