OWNER WILL ACCEPT SMALLER TRADE - 38' to 42"

“Cricket” has been updated throughout. Virtually all décor items and materials are new within this past 2 years. The bills for much of this work are available for review. It is safe to say that the boat shows beautifully from one end to the other, inside and out. The exterior is properly waxed and polished. The interior appears new. The engine area is neat, clean with a December 2018 bill from Advanced Diesel totaling \$17,356. The present owners are long time boaters who keep their yacht in “Boat Show Condition” constantly.

After delivery to the original owners the boat went to the lakes in upstate New York where this owner purchased her. Once finished with their cruise into the Bahamas it will be available to be seen at almost any time.

- 2017 NEW paint Job - \$69,000
- 2019 NEW Epoxy Bottom - \$7,500

Conveniently located and appointments are necessary.
