SPECIFICATIONS

Overview

"Lollygagger" is a low hour, well maintained and exceptionally clean version of the popular SeaRay 320 Sundancer. With the preferred inboard package, updated electronics, generator, cherry wood cabinetry, fresh navy blue canvas and detailed service records she is the total package. Other options and updates include a soda blasted bottom, new cutlass bearings, new batteries, freshly tuned props, updated TV, bluetooth stereo and more. A great looking boat that is well equipped, priced correctly and ready to be enjoyed immediately! See Full Specs for additional details and don't hesitate to call Listing Broker with any questions or to set up a showing!

Accommodations

Total Cabins: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Manufacturer: Mercruiser

Model: 350 MPI FWC

Engine Type: Inboard

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Accommodations & Layout

"Lollygagger" has it all with abundant seating and entertaining space outside and a cabin that can sleep six, has a full featured galley and private head. Boarding from the stern there is a large swim platform, swim ladder and transom storage compartment.

Walking through a transom door one is greeted with a u-shaped settee to starboard and a wetbar to port. The helm is just forward with a double seat for captain and companion. A well laid out wood trimmed dash houses an updated chartplotter (with NMEA 2000 network), updated vhf radio and sight lines that make operation and piloting a pleasure. Moving down below to the cabin it is hard to believe you are just on a 32 foot boat. Plenty of natural light, neutral soft goods and rich cherry cabinetry give the cabin a warm and inviting feel. There is a kidney shaped dinette to starboard that converts to a double berth, a full galley and head to port, a guest stateroom/lounge in the mid cabin and a master berth forward and on the centerline.

- Air Conditioning and Heating with Digital Thermostat and Control
- Pressurized Freshwater System
- Hot Water Heater
- Vacuflush Head
- New Vitrifrigo Galley Fridge in 2018
- Whirlpool Microwave
- Keurig Coffee Maker
- Clarion Stereo Upgraded to XMD3 with Fusion Bluetooth Adapter
- New Amp Switch
- New Sharp Flat Screen TV Mounted On Bulkhead

Electronics & Navigation

"Lollygagger" has seen a huge upgrade to the electronics with the current owner adding a Simrad NSS9 evo2 GPS/Chartplotter as well as adding a NMEA 2000 network with SmartCraft which allows the display of the engine data and performance data to the Simrad display. A new in-hull Airmar P79 depth transducer was also added as well as a Standard Horizon GX 1600 VHF Radio.

- Simrad NSS9 evo2 GPS/Chartplotter
- NMEA 2000 Network with SmartCraft
- Airmar P79 Depth Transducer
- Standard Horizon GX1600 VHF
- Clarion Stereo Helm Remote Control
- Compass
- Trim Tabs

- Full Set of Analog Gauges
- Horn
- Remote Searchlight
- Tilt Steering Wheel

Engine & Mechanical

The current owner of "Lollygagger" purchased the vessel in 2015 from the original owner who had kept the boat slipped at a MarineMax marina in Joppatowne, MD.

MarineMax (the SeaRay dealer) did all the work on the boat for the original owner on a regular basis and the boat was in excellent condition with only 250 hours of use when they sold it. The current owner continued this philosophy of constant maintenance and the vessel has seen regular care and improvements including:

- Annual Fluid and Filter Changes with the last one being done in December of 2018
- Bilge Pumps Serviced and Verified for Proper Operation Annually
- Replaced Fuel/Water Separator - 2018
- Replaced Engine and Generator Impellers - 2018
- Manifolds and Risers Opened Up, Inspected and Resealed - 2018
- Removed, Reconditioned and Reinstalled Propellers- 2018
- Replaced Both Cutlass Bearings - 2018
- New Plugs In Generator - 2017
- Rudder Packing Tightened - 2016

Electrical Systems

"Lollygagger" is equipped with a Kohler Model 5EBBG generator with less than 200 hours on her. Like the engines, the generator has seen continual routine care and maintenance and runs great with fresh plugs, impeller, fluids, filters, etc.

- All Four Batteries Just Replaced with Group 27 Interstate Batteries in 2018
- Battery Charger
- Battery Selector Switch
- 30amp Shorepower Service
- 30amp Shorepower Cord
- AC and DC Breaker Panel

Hull, Deck & Construction

The owner of "Lollygagger" had the **bottom soda blasted** to remove any excess paint and then **barrier coated and repainted** for a smooth bottom. She is stored out of the water and under shrink-wrap every winter. Improvements and features include:

- New Custom Canvas Enclosure (Navy with Tan Trim) done in Upgraded Sunbrella Fabric and with Higher Quality Strataglass in 2016
- Cockpit Carpet Replaced in 2016
- Cockpit Lighting Upgraded to Blue LED
- Transom Light Upgraded to White LED
- All Navigation Lights Replaced in 2015
- Anchor Windlass
- Anchor
- Remote Spotlight

Exclusions

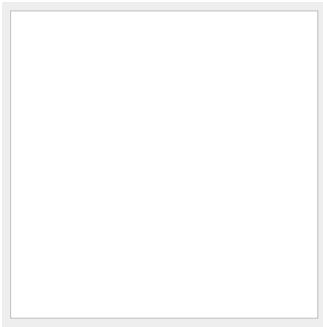

Owner's personal belongings.
