SPECIFICATIONS

Overview

“Blue Bayou” is a practically brand-new C-28 Cutwater Boat. Bought in January of 2018, the owner has decided on a different boating style. This comfortable family cruiser is perfect for the Great Loop, or you could load it on a trailer and take it inland to any destination of your choosing!

Powered by a single Volvo D-4 260 HP diesel engine with only 54 hours on the meter, she boasts the Cutwater Keel Stepped-Hull which is designed for performance, handling and comfort. “Blue Bayou” is equipped with the Luxury Edition package and has all factory warranties still in effect, this boat is a terrific package!

Owners change of boating plans can save you a lot of money and will consider all reasonable offers!
