Overview

This 1990 45' Carver Californian is hard to beat when it comes to a boat purely suited to cruising comfort. "MERCHANT MARINE" is a one example of a boat that's been maintained, as well as updated, by knowledgeable owners over the course of her years. From mechanical to cosmetic, proper care has been taken to ensure she's in turn-key, sail-away condition at any time. Boasting 2 staterooms (full beam master), 2 heads, a comfortable salon, large galley, lower helm, enclosed full beam aft-deck and flybridge with updated helm. She rivals any of the larger cruising boats out there, at a fraction of the price. She's mechanically sound, and the owners have performed a number of nice upgrades.
