SPECIFICATIONS

Overview

Extremely low engine and generator hours makes this the best value Tiara on the market. Super clean and easy to manage for an owner/operator. This well-built vessel is ready to go in Mexico or anywhere else.

- New bottom paint and external zincs in October 2018.
- New Cummins water pump, new hull zincs and new engine and generator zincs installed in October 2018
- Solana has full camper canvas, and full windshield canvas for use during summer storage

Tiara construction is high quality. Rock solid construction and feel. No squeaks, rattles or creaks.

- Great handling. Cruises at 29.4 knots
- Modern, quiet & refined Cummins diesels
- Oversize dimensions - overall length is close to 37 feet from pulpit to swim platform
- 13 Ft Beam makes for a lot of interior and cockpit area
- Easy single handling docking
- Ultra maneuverable with high torque at idle and counter rotating transmissions.

Broker's Remarks: This vessel offers an incredible value and is competitively priced - super clean, reliable, easy to service engines with very low hours.
