SPECIFICATIONS

Overview

A roomy and stable sport yacht, the 510's 15-foot-6-inch beam is nearly one third of its 50-foot-6-inch length. Plenty of planing surface and optional 640-horsepower Caterpillar 3196 electronically controlled diesels hot rod it to plane. The 510's 18-degree deadrise deep-V bottom carries on the Sea Ray tradition of comfortably and effortlessly punching through really miserable seas.

This 51 has been upgrade thought out and it is in very mint conditions.

- Twin CAT 3196
- Hydraulic swim platform
- Satellite Antenna
- Wine cooler
- TV upgrade
- Fresh bottom paint
