DETAILED INFORMATION

Introduction

The TIARA 38 SPORT LS is a hugely popular version of the Tiara Sport Yacht series that have grown out of the Center Console market.

Unmistakably high end finishes and unique features set the 38 LS apart from her competition.

Distinct seating areas, an outdoor galley, all weather helm, a sumptuous interior cabin, speed and the legendary Tiara ride make the model a clear winner!

Remarks

This 2019 Sport 38 LS Tiara represents the best of the best in Tiara's Sport Yacht line! She was custom ordered in Granite Grey with nearly every option available including the Sea Keeper gyro stabilizer system. List price was well over \$700,000.00.

Of her 86 hours running time over 60 hours were in Michigan. When in Florida, she stays out of the water (no bottom paint) inside, but only after flushing and washing.

Honestly better than new. This 2019 Sport 38 LS Tiara is only being sold to make room for a 2020 model to be delivered in Michigan later this Spring.

Exclusions

While every effort was made to list all pertinent included equipment aboard 38 TIARA LS NO NAME, there are some personal belongings aboard. Prospective purchasers should assume any item not specifically mentioned herein will not convey at closing.

Exclusions

Owner's personal belongings.
