Overview

THE 52 MIDNIGHT LACE IS THE MOST POWERFUL EVOLUTION IN A TRUE GENTLEMAN'S YACHT. With the focus on the ability to relax and socialize in Heightened Comfort, Style and Sophistication. This 52' exemplifies what anyone would desire in a yacht like this. Equipped with a Full 2 Stateroom 2 Head Layout and extra amenities not normally found on a yacht of this size.

This Midnight Lace is particularly special because it was Custom ordered and Spec'd by the owner of Hargrave Yachts. With his outstanding knowledge as a Builder and Pedigree Yachtsman, No Detail Was Overlooked during its construction. Don't Miss The Opportunity To Own One Of The Most Versatile Gentleman Yachts ever built. "Ozark Star" is truly a Work Of Art and in Turn Key Condition for her new owner. She is easy to see 7 days a week. Schedule your appointment today.

Introduction

Custom built for the owner of Hargrave Yachts, this yacht is more than just One Of A Kind. Every detail was controlled under the watchful eye of Shelley DiCondina of Yacht Interiors by Shelley and the final result is Truly Incredible. Sparring no expense, she is equipped with all the right equipment. Her interior was designed and installed by Shelley DiCondina and was fashioned to mimic the 135' Hargrave Yachts. With a twin master stateroom layout and open galley arrangement, this is for sure one of the best cruising yachts available on the market today.

Vessel Walkthrough

This yacht incorporates many of the features and equipment normally found on motor yachts in the 80' and up range. In effect, this design has created a luxury yacht interior that would even work for someone moving down in size and who is used to a higher level of comfort and convenience. Thus really creating a True Gentleman's Yacht in all aspects.

In addition, more powerful Caterpillar engines were added for better performance. OZARK STAR has added signature design features such as overhead air-conditioning vent systems, double door entry to the master cabin, full-size Headhunter toilets in both master and VIP suites, high-end marble and granite counters, polished cherry wood floors, and high-end hardware and fixtures that add to the feel of luxury throughout.

Aft Deck

Boarding from the Aft Deck, you are greeted with a perfect setting in which to enjoy moments of relaxing conversation against the ever-changing backdrop of the sea. Ergonomically designed you will find all the necessary amenities close by for whatever the occasion calls for. A large seating bench is finished in a mushroom color and creates a perfect space for watching the sunset or enjoying an evening cocktail. Durable and warm teak wood makes up the sole. A ladder up to the open flybridge is found to port.

Main Salon

The main salon is spacious and warm with calming accent colors throughout, such as featured on the chocolate brown full grain Aniline dyed leather sofa to port, with accent pillows in chocolate and celadon blue. The interior specifications of this vessel were very well thought out and executed. The sense of refinement and sophistication aboard this vessel is unmatched for any boat in this size range. Found throughout the main salon and the extended living areas is a high gloss cherry wood with a contemporary cross graining and Camphor Burl wood accent panels. Another foundation of the interior spaces includes a textured sisal carpeting natural tones. Seating is satisfied with the L-shaped leather sofa to port and a pair of armchairs to starboard. Plenty of hidden storage, accent items, a coffee table, and the helm station forward and to starboard complete this space.

Galley

Gorgeous high gloss cherry wood continues into the forward galley, located just steps down from the main salon. Here "Indian Parana" granite counter tops extend into a

backsplash, which sparkles against the warm wood cabinets and stunning satin finished cherry wood flooring. Stainless steel appliances, Grohe fixtures and an improved open layout make this 2007 Fexas designed yacht highly desirable.

Master Stateroom

The master stateroom is located to starboard across from the galley. Here the color theme is that of driftwood and pale blues with rich chocolate accents. The queen berth is fitted with luxurious fabrics in this eye-catching color scheme. High gloss cherry wood is found here dispersed among a textured cane wall upholstery in a simple sandy taupe color. All the comforts of home are found in this luxurious stateroom, including an en suite master head. The master head has a full shower, cherry wood storage cabinets, and a vanity featuring "Noisette Fleuryl" marble. This yacht is designed for the cruising couple who enjoys long weekends and plenty of relaxation.

VIP Stateroom

The VIP Stateroom is forward and features a queen-sized v-berth fitted with elegant cream-colored bedding. Organic colors and textures make up this elegant stateroom. The VIP also features an en suite head. The same level of refinement found in the Master is recreated in the VIP - Such details as a marble vanity in the VIP head and gorgeous high-gloss cherry wood throughout help accomplish this.

Flybridge

The Fly Bridge has an open design, creating a space for you to man the vessel over open seas, creating a sense of nostalgia for the days when commuter boats were in full swing. A large settee aft is great for guests to keep you company while navigating the Lace. You will find the finest navigational equipment available in the market today aboard OZARK STAR.
