DETAILED INFORMATION

MAIN DESCRIPTION

Extraordinary cruiser and/or liveaboard vessel with an incomparably comfortable layout and excellent sailing characteristics.

Accommodations

Down the companionway to port is a U shaped gourmet galley with generous storage and an extremely smart layout. To starboard is the nav station. Aft to starboard is a walkway to the aft cabin that doubles as a workshop or could be used as a pilot berth with minor modifications. Aft is the master cabin featuring a centerline king size berth with transom windows, ample hanging lockers and drawer storage, and an ensuite head with a combination tub and shower. Amidships is the main salon. The large U shaped dinette with storage cabinets above is to port and a settee that opens into a berth to starboard. Forward is a spacious V-Berth with lots of storage and ensuite head. Head also has direct access from main salon. Overall, as spacious and well thought layout as I have seen on any sailboat of this length and size.

GALLEY

A large U shaped galley that is secure at sea and extraordinarily well thought out in the slip. Storage is more than ample for any use.
