## Overview

---

### **2006 Cranchi Endurance 41 Volvo Penta Diesel Power - Garage - Bow Thruster Dealer Owned - Your Trade Welcome**

Unique among small express cruisers the Cranchi 41 Endurance has a transom garage for housing a tender or PWC.

Built on a Kevlar-reinforced stepped hull, the slender beam of the Endurance enhances performance while limiting the space available for cabin accommodations. Additionally, the transom garage pushes the cockpit forward, which further reduces interior volume. The result is a terrific day boat with a spacious cockpit and a huge aft sun pad, but whose compact interior lacks the amenities required for extended cruising. Highlighted with leather seating and teak joinery, the single-stateroom layout includes a convertible dinette forward and a small galley and head.

Topside, the cockpit is arranged with U-shaped seating, wet bar, and an electric grill. Visibility from the superb helm position is excellent, but the Cranchi's side decks are narrow and the engine room is a tight fit. A bow thruster, extended swim platform, foredeck sun pad, and teak-and-holly cabin sole were standard. A fast ride, Volvo 350hp diesel sterndrives will deliver a top speed in excess of 35 knots.
