BROKERS WALK THRU I was clearly blown away stepping onboard this boat. I knew she had a new 2015 Yamaha engine w factory warranty through March of 2021, but the rest of the condition is truly outstanding. It should also be pointed out that Pursuit is one of the better-built boats of it's class and can hold their value for a very long period of time. They are always sought after, and when they are in rare exceptional condition as this one is they can sell rather quickly. Another thing I would like to point out is the walk around style themselves are making a big comeback in the preowned market as dealers seem to be making fewer of them, and the walk around market is making a come back. Please call today to schedule your appointment, but I can say; I will probably only have to show this boat one time. COCKPIT ACCOMMODATIONS

Manufacturer Provided Description The Pursuit 2470 Walkaround is built for family comfort, safety and excitement in a boat that's pure fun to fish. The innovative deck plan, with a swept look to the windshield and exterior cabin, gives the 2470 Walkaround an eye-catching flair. The cabin sleeps two comfortably. Standard amenities include a 20-gallon freshwater supply, a portable head, two opening portlights with screens, and an interior lighting package, making this boat a great overnigher. The cockpit design maximizes open space yet provides excellent storage and comfortable seating for the whole family. And this boat is just as enjoyable to drive. The helm provides great visibility, the controls fall naturally to hand, and the instrumentation and flush-mounted electronics keep the operator well informed.
