SPECIFICATIONS

Overview

The Nor-Tech 340 Sport Center Console powered with twin Mercury outboards . This Nor-Tech 340 Sport Center Console will ease onto plane and maintain plane at very slow speeds. Thanks to the hull design, visibility is never sacrificed. The stepped hull tracks straight and true and can carve turns like a seasoned slalom skier. In rough water you will feel as if you are in a much bigger boat as the hull of the Nor-Tech 340 Sport Center Console quietly absorbs the impact of the heavy seas while keeping the occupants dry. If you're looking for a great boat this is it.

Basic Information

Category: Center Console

Model Year: 2016

Year Built: 2016
