Manufacturer Provided Description

Hunter Marine's evolutionary innovation shows in the Hunter 410. Backed by over 25 years of experience, the 410 really delivers. The spacious salon includes everything to make cruising a comfortable experience. Plenty of hatches and ports keep the salon bright, airy and well-ventilated. The highly polished dining table is central to entertaining and serving meals. Elegant fabrics and rich teak combine to create a warm and luxurious atmosphere. A separate navigation station houses all electric controls as well as providing plentiful space for electronics.

The aft head includes a stall shower, Corian vanity, and lots of storage. Dual access to the large head keeps it private yet convenient. Aft, there is a master stateroom that features a huge queen berth, hanging lockers, and a host of storage facilities right down to the hanging carry-on closet. Lighting and ventilation is excellent and there is full head room as well. Forward, the full size stateroom has its own en suite head, overhead hatches, and more drawers and hanging lockers than found on much larger yachts. The starboard side galley is very open with large, wide Corian counters, three-burner range with oven, microwave, triple access refrigerator-freezer, trash receptacle, and plenty of storage. Even the dishware and rack are included. Comfort, convenience, and utility were Hunter's design goals and the new 410 meets them head on. Hunter Marine's keel boats are the backbone of the Hunter fleet. These spacious and comfortable cruisers are incredibly appointed from the rich fabrics to the top-grade hardware. Hunter Marine Hunter Marine Corporation was founded in 1973 to build truly affordable sailboats. Warren Luhrs, Hunter's chairman, has personally logged thousands of ocean miles both single-handedly and shorthanded aboard his ocean racers. From these floating laboratories hundreds of new ideas have been born. The same B & R rig that powered his boats into the record books also power the Hunter fleet. A lot has changed over the years, but Hunter Marine continues its commitment of bringing the sailing public the best performing and most accommodating sailboats at a reasonable price.

Основная информация

Тип судна: Крейсерская яхта
