Overview

A modern expression of striking beauty where extraordinary innovation meets iconic design. Emboldened by sculptural silhouettes, the furniture on the 102 pays homage to the sweeping lines of midcentury furnishings defined by its balanced proportions and arching sculptural curves. Richly comprised furnishings and luxurious details -the pale palette references the natural beauty surrounding a modern and serene interpretation of life on the sea. Once again, Marty Lowe uses her mantra “deliberately casual” to achieve this overall ambiance in the 102 while celebrating and complementing the proportions of the asymmetrical 102. Lowe’s breezy, colorful take on classic Palm Beach style rivals the enchantment of Slim Aaron’s vintage photographs which are featured in the staterooms. The work of this iconic American photographer, Slim Aarons, who was noted for photographing socialites, jet-setters and celebrities-Slim Aarons was said to be a storyteller who documented a time that will never exist again. The interior of the 102 sets about to recreate this magical midcentury time with iconic furniture pieces and references to the ultra-chic playground known as palm Beach. White sandy beaches, tranquil water and cool blue skies, with punches of tropical bright accents set the tone for the color scheme. Volumes of crisp pressed cottons, bleached wood, distressed floors and classic cool linen are used to deftly blend the texture of the beachfront with the changing light using natural materials such as stone and wood. The transporting serenity, natural beauty and cool composure of the cruising lifestyle is captured with the design of the 102 Sanlorenzo
