DETAILED INFORMATION

Vessel Walkthrough

The Contender 31 Open rides a deep-vee hull with 24.5 degrees of deadrise designed for serious fishing. The Florida-built center console has the distinctive look associated with many of the region's fishing machines. The sheer forms a subtle "S" as it sweeps from the wide, flared bow to the low transom, and the engines are mounted on a platform. The boat comes with such standard fishing equipment as a raised live well, a transom door and in-deck fishboxes (250-quart and 400-quart) fore and aft.

The deck layout also is fishing-oriented, and the single-level cockpit, with recessed handrails, makes it easy to cast for and handle fish anywhere around the boat. The roomy cockpit is the result of the ample 9-foot, 4-inch beam. The helm comes with a standard bench seat/leaning post and a T-top.
