DETAILED INFORMATION

Manufacturer Provided Description

The **Pearl 60** rewrites conventions at every turn. This wonderfully luxurious yacht combines four remarkably spacious cabins with sumptuous style and exhilarating performance.

Our acclaimed team, fronted by highly respected naval architect, Bill Dixon, and super yacht interior designer, Evan K Marshall, once again combines innovation and style to create a sleek, spacious, beautifully opulent motor yacht that meets the needs of our most discerning clients.

With its sleek hull design, so characteristic of the Pearl range, the **Pearl 60** guarantees outstanding sea keeping and handling qualities. Powered by twin Volvo D13 800hp engines, the result is a graceful combination of exhilarating power and luxurious refinement, a further product of expert design and unrivaled craftsmanship.

With beautiful dining arrangements inside as well as two externally, the **Pearl 60**'s luxurious volume is echoed throughout the boat. The sleek exterior lines of the **Pearl 60** conceal voluminous accommodation and unrivaled flexibility.

Styling can be the classically opulent or the elegantly ultra-modern. A suite of rich fabrics and stylish color choices offers you complete freedom of expression. All of this with a choice of finishes to delight the most sophisticated tastes and our own interior designer to ensure your whole personalized program brings a look to take your breath away.

The master and VIP staterooms are separated by the full length of the boat, affording you maximum privacy. Two generous guest cabins located amidships offer twin or double berths with the options of specifying the port cabin as an office and introducing a crew cabin. With so many accommodation options to match your personal requirements, the **Pearl 60** can become a seven, eight or even an 8-guest plus crew motor yacht, offering you total freedom.
