SPECIFICATIONS

Overview

The spectacular SR52 Blackbird superyacht tender was unveiled in 2010. She has been turning heads ever since, and in 2015 was rated best chase boat in the world by Superyacht Magazine. Combining the exceptional design flair of Dubois with the superb build-quality, production capability and performance of the Windy brand, the SR52 delivers guests ashore in unprecedented style, speed and comfort. A unique and adaptable craft, she also appeals to customers looking for an elegant and uncompromising fast weekender or day boat. Sporting triple IPS 600 Volvo Penta diesel engines, the Blackbird boasts a top speed of 46 knots, a cruising speed of 40 knots, and delivers an exhilarating yet stable and dry ride. A spacious cockpit features three separate racing seats at the helm and three standing sport seats under the shade of the bimini. The teak deck provides open walkaround access from the raised foredeck to the additional seating, sun lounge and hydraulic bathing ladder aft – perfect for race spectating, swimming or picnicking at anchorage. A head with shower is located below decks, along with a double berth. Truly, a superyacht among tenders.
