Overview

Waypoint is no doubt the finest Ocean 46 Sunliner available. Her current owners are knowledgeable boaters, and she has been meticulously maintained from the engine room to the top of the flybridge. Since she was a freshwater boat and kept undercover until two years ago, her bright work, paint, and gel coat are in excellent condition. Check out the photographs, and you'll see what I'm talking about. The 46 Sunliner offers two large staterooms each with ensuite heads and separate showers, a full galley with a dinette that seats 6, a large salon with satellite TV, a fully enclosed aft deck with room for additional dining, and a fully enclosed flybridge with seating for 6 or more. The twin Detroit 6V71-TI engines with 900 hp offer a cruising speed of 22.5 knots, a top speed of 26 knots, and fuel burn at cruising speed is only one GPM. If you're looking for a two stateroom aft cabin motor yacht that is turn key ready for the Great Loop, Cruising the Bahamas, or a Clean Live-Aboard, this is an excellent value at this price. Recent upgrades include:

- New Carpet throughout 2017
- New Galley Upholstery 2017
