SPECIFICATIONS

Overview

(LOCATION: Fort Myers Beach FL) The C&C 40-2 AC tall rig is a blend of speed and style that helped turn C&C Yachts into Canada's largest yacht builder. She has great lines, big cockpit, and spacious, comfortable, interior. There is plenty of room below for family cruises.

On deck we have an open cockpit with bimini top, pedestal helm, stainless steel wheel, aft bench helm seat, guest seating to each side, and under-seat storage. She comes with a full complement of sails. The mast and boom are aluminum with stainless steel rigging, and Barient winches.

Below we find a spacious interior. Forward is a roomy v-berth with under-berth storage, rope locker, and filler cushion. Moving aft there are two hanging lockers. The salon features a large settee to starboard with convertible dinette to port. Aft starboard is the galley with teak cabinets, solid surface countertop, stainless steel sink, two-burner range with oven, and ice box. Across from the galley is a spacious nav station with chart table and storage. The enclosed head has vanity with sink. The aft cabin with hanging locker complete the sleeping accommodations with room for six total.

This C&C 40-2 has a 2000 Westerbeke 44 engine as auxiliary power. This family cruiser is roomy, comfortable. She is equipped with Datamarine instruments: GPS, autopilot, and VHF. Call now for more information and to schedule a showing of this C&C 40-2 masthead sloop.
