SPECIFICATIONS

Overview

KALEEN is an extraordinary example of the Hunt 52 Motoryacht. The Hunt 52 offers classic lines with seamless integration of a single-level deck and interior livability. Featuring a natural flow from the helm to the open, bright salon through to the aft deck, the Hunt 52 layout reveals the same unobscured 360 degree views from any position. Exhaustive attention to engineering a boat which can be easily handled by one, or enjoyed by many, has led Hunt to offer features such as joystick control, fully mechanized dinghy garage transom with stairs, and generous swim platform for easy accessibility. All of this comes without diminishing the unparalleled Blue-water capability - fast, easy-running, comfortable and dry. Bottom painted 5/19
