Hull Material: Fiberglass

Engine Information

Manufacturer: Yanmar

DETAILED INFORMATION

Manufacturer Provided Description

Versatility best describes the Hunter 466. Whether owners want to cross oceans or bays, bang around the buoys or just liveaboard, this boat has the capacity to do it all. The dinette area is large enough to handle the crew, but intimate enough for just two. Storage is plentiful as is the natural light and ventilation. Hand-rubbed teak and exquisite fabrics are in evidence throughout the grand interior. An innovative forward head arrangement splits the shower and head so both can be used at once. A large dual-opening refrigerator and freezer are central to the U-shaped galley. The Force 10 stove and oven, plus a microwave will make dinners a joy to prepare, while the island sink will have cleanup covered. Storage for everything is at hand including the recessed trash receptacle. The forward master stateroom rivals most yachts twice her size. Twin hanging lockers and lots of drawers make staying aboard easy and a great night's sleep is guaranteed by the innerspring mattresses. Entertaining is gracious with the open salon which incorporates a TV and CD stereo. Twin comfortable seats and a convertible cocktail table are located just forward of the extensive nav station with plenty of space for electronics and gear. Aft, owners have a choice of two layouts: dual staterooms or trade one in for an office / work area. Both are large, airy and comfortable.

Accommodations

The large master stateroom forward is luxurious and private. Double doors open from the salon to reveal a queen sized berth with 7" inner spring mattress, 2 cedar lined hanging lockers, and abundant drawer storage. Bedding package with sheets. 6'6" headroom. The private head arrangement has a stall shower to starboard and to port is a separate compartment which has the toilet, storage and vanity with Corian countertop.

Next aft is the spacious salon with 2 built in chairs to starboard, a convertible hi-gloss dinette table with U shaped settee and island settee. Oyster interior leather. Navigation station with contoured seat to starboard aft of chairs. Storage lockers on hull sides, windshield fixed ports with covers, custom curtains and 6'8" headroom.

The galley is aft in the salon to port and features an island for added space and convenience. Opposite to starboard is the main head with stall shower, holding tank with macerator, vanity with Corian countertop and storage. There are 2 aft staterooms, port and starboard feature double berths with 7" innerspring mattresses, bedding package with sheets, large hanging lockers and dresser drawers. Starboard cabin has a private entrance to main head. Cabin reading lights.

Beautiful teak interior and teak & holly cabin sole and dual reverse cycle air conditioning.
