SPECIFICATIONS

Overview

Built in 2013 by Princess, SEABEACH boasts sophisticated engineering and a striking jet black and grey exterior designed by Bernard Olesinski. Internally, the decor is timeless and contemporary with luxurious touches. A recently fitted white carpet, kept in pristine condition, runs throughout the yacht with styling in a warm and elegant colour scheme of creams and browns. The high-gloss walnut wood panelling remains in exceptional condition along with all of the hard and soft furniture, with a highlight of her décor being the Fendi finishing, upholstery and linens.

This beautifully maintained 32m (105ft) yacht has a GRP hull and superstructure, with a beam of 7.11m (23ft), and a draft of 1.98m (6ft). SEABEACH cruises at 18 knots with a maximum speed of 20 knots and features zero speed stabilisers for maximum comfort while cruising and at anchor.

SEABEACH features generous exterior deck spaces, including an aft deck much larger from other yachts of her size, including a dining table for ten and a bar. The sundeck is a highlight with its automatic retractable roof and ample space for relaxing and entertaining. This including a dining table for up to ten, a large bar, barbeque, sunbathing area and hot tub. Additional sunbathing pads are featured on the foredeck and all of the teak decking throughout has been maintained in excellent condition, along with a recent refurbishment of tables and chairs.

The main salon is comfortable and stylish, with cream sofas, Fendi leather furniture and linens. Natural light in the salon is enhanced fully retractable doors to the aft deck as well as double doors to a foldout starboard-side balcony, creating a wonderful indoor and outdoor living space. The very popular fold-out balcony provides an additional tranquil space for enjoying the sunshine and also doubles as a dive platform. The salon also features a Bang & Olufsen entertainment system, 50" plasma TV, wine fridge, and ample storage.

Seabeach provides accommodation for up to eight guests including a generous master with a separate office or dressing space with desk and storage. This cabin boasts a large Loewe TV and a Fendi sofa. The beautiful en suite features his and hers sinks, a large upgraded shower and heated towel rails.

Additional accommodation includes a very large and impressive VIP cabin aft, one double cabin, and one twin cabin, each benefitting from beautifully finished en suites and including Fendi linens throughout.

The Galley has sleek black amethyst worktops and modern fittings. All fittings are Miele, including a large wine cooler, cooker and refrigerator.

Seabeach is also capable of carrying up to six crew onboard to ensure a relaxed luxury yacht experience. The crew area follows a standard crew area layout with Wenge floor two separate bathrooms.
