SPECIFICATIONS

Overview

Named for the James Taylor song "Carolina In My Mind", you'll find yourself more than going to Carolina in your mind, because this impeccably kept yacht can truly go anywhere! Carolina is the "CPMY" cockpit version of the popular 44' DeFever Trawler, also known as a 44+5. The 49 CPMY is a rare flush-deck yacht with single-level walkaround decks that give it exceptional accessibility as well as a beautiful profile. Stabilized, with a solid fiberglass, full-displacement hull and hefty weight, she delivers a very comfortable ride. She has a full-beam owners' stateroom aft with ensuite head and separate shower, washer, dryer and copious storage. The large V-berth stateroom forward has an ensuite head that doubles as a day head. Her salon has free-standing furniture, a fully equipped U-shaped galley, breakfast bar, helm station and chart table, port and starboard doors, and the main entrance to the aft deck. Above is a large flybridge with plenty of seating. In her walk-in engine room you'll find twin John Deere engines, Naiad stabilizers, a 10 KW generator, and abundant tankage to take you anywhere you want to go, whether you're planning extended cruising offshore or a trip on the Great Loop.

Basic Information

Category: Motor Yacht

Model Year: 2005

Year Built: 2005
