Overview

This fast, offshore cruiser was built as a highly competitive ocean racer, winning the 1979 Trans Atlantic Race and completing the storm raged Fastnet later that summer. Now fully equipped for ocean cruising with a jib and stay sail cutter rig, both on roller furlers, she has cruised thousands of miles in comfort and safety. Her racing heritage gives her great pointing ability and she is fast and stable under all points of sail. Her well appointed interior is comfortable both in port and at sea.
