SPECIFICATIONS

Overview

Built on the seaworthy deep-v hull, the 34-B has a 10-foot beam and a 34-foot-8-inch LOA. This versatile center console has triple 300hp Mercury Verados with 790 hrs. Her meticulous owner keeps her maintained and upgraded consistently by certified technicians. The unique layout and design of the cuddy cabin offers room for 2 people to sleep comfortably, without taking away from the exterior space and seating that these center consoles are known for. The large console, built wide enough for two diesel engines, features an integrated console seat forward and an optional vacuflush toilet beneath. Behind the helm an upgraded leaning post with comfortable seating, slide out cooler, and tackle center. Additional enhancements include a custom hardtop, hatches finished with gel surfacing, diesel generator, and a transom livewell.

Extended Warranty on Engines until 01/28/2020.
