Hull Color: Dark Blue

Engine Information

Manufacturer: Yamaha

Model: 4 Stroke

Engine Type: Outboard

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Description

The current owner purchased this vessel new as a yacht tender to tow behind his larger yacht. The boat is equipped with a large reinforced towing eye. She has been maintained by a professional yacht captain and crew since new. The vessel is in like-new condition. It looks and smells new!

The present owner just purchased a larger yacht which included a tender, therefore is selling this low hour gem. She is equipped with almost every conceivable option. The boat was always kept out of the water on a custom lift, so no bottom paint. Even the hull bottom looks new.

The vessel can be easily boarded from the wide cockpit gunwales, through the transom door, or from the port cockpit dive door.

Features include bow seating with a teak table that rises from the deck, console sun lounge with armrest, three man helm position, and a roomy aft cockpit with transom door and hide away stern bench seat. The aft facing bench seat, behind the helm, conceals a baitwell and storage drawers. There is also a transom livewell.

Below the Scout's console: a cabin featuring two lounge seats forward that convert to a berth, folding table, mini galley and electric head/shower. Other options: air conditioning in cabin with vents at console, winless, dive door. Triple Garmins- autopilot and Optimus 360 joystick controls.
