SPECIFICATIONS

Overview

"Leisure Lee" is one of the best examples of a Hatteras 75MY on the market. She has been maintained by a full time captain and is in excellent condition with the lowest hours (987) on twin CAT C-30 's and the preferred high gloss cherry interior.

This yacht features five ensuite staterooms including a full beam, king master. She has an array of amenities and an extensive list of upgrades including updated electronics, custom furniture throughout, granite countertops, full-sized Whirlpool appliances, and upgraded LED lighting throughout.

Key Features Include:

- **New in 2018: Flybridge Enclosure and New Cushions; Polished SS Captains Chairs and Bar Stools**
- **987 original hours on CAT 30's; After Coolers Replaced (\$42,000), Oil and Heat Exchangers Serviced Regularly**
- **Updated Garmin 7212 Electronics At Both Stations**
- **Pilothouse Interior Refit with Teak and Holly Floors and Custom Compass Inlay**
- **ABT Stabilizers**
- **SAT TV with Updated Flat Screen in Salon**
- **1500lb Davit (No Tender)**
- **Over \$50K in Flybridge Entertainment Additions (Custom Canopy Shade, Grill, Freezer, Ice Maker, Heavy Duty Chairs, Etc.)**
- **Bottom Job Done Every Year**

Accommodations

"Leisure Lee" features the optional and highly desirable cherry wood interior with neutral tones and wall coverings throughout. All cabinet doors are raised panels.

The galley counters are a lighter granite facing the salon. Galley and pilothouse floors are Amtico with a custom compass design in the pilothouse. Additionally, the vessel features custom furnishings. The salon has a 42" Samsung flatscreen TV in a custom raised panel cabinet with a lift. The TV can be viewed in the up or down position. The air conditioning grills have been eliminated and the AC flows through the slotted valance boards. There are seven additional lights installed above the dining table and three more above the cocktail table. These are in addition to the extensive LED overhead lighting along with custom exterior side lighting alongside the house. All carpeting, furniture, wall coverings, floors and countertops throughout were upgraded at the factory along with numerous optional storage lockers.
