SPECIFICATIONS

Overview

Hydra Sport's 2200CC combines the fish ability and explosive performance of the large boat options without compromising on the design integrity you'd expect. Beyond the distinct familiar sleek lines and premium quality finishes, the deck layout is proof that "scaled down" doesn't mean "scaled back." Large insulated fish boxes keep the day's catch cold and secure. Get way offshore with a bigger fuel tank than most 22CCs. The bow flare keeps you and all your gear dry when running through the chop. Besides the function and performance this boat offers you can know that you and your family are safe with the Kevlar reinforced hull.

Basic Information

Category: Center Console

Model Year: 2009

Year Built: 2009

Country: United States
